### FATAL FALL.

Edward L. Smith, of Norfolk, died at Emergency Hospital in Washington yesterday afternoon as the result of injuries sustained when he fell into an araway in front of the residence of Preston O. Phillips, at 922 I street Northwest.

Smith was found in a dying condition in the vestibule of Mr. Phillips' home about 6:30 yesterday morning. The right side of his face had been cut and bruised, and his symptoms indicated he had sustained a fracture of the skull. It was at first thought he had met with foul play, but after making an investigation, the police were of the opinion that he received the injuries when he fell. Smith had been able to ascend the steps from the araway to the front door, where he fell upon the vestibule floor.

Smith went to Washington last week. He was a newspaper man and went to seek a position.

Smith had been married about seven years. He had two children.

He had worked in the newspaper business in almost every large city in the south, having left the Index-Appal of Petersburg, to go to Washington. He formerly worked in both Richmond and Danville.

### THE ZIONISTS.

The announcement is made in Jewish circles and through the Jewish press of this country that important communications from the leaders of the International Zionist movement will be made known at the eleventh annual convention of the Federation of American Zionists, which will open at Atlantic City on Friday, July 10, and will continue until Wednesday, July 15.

The announcement will be made of the proposed organization of a new colony in Palestine for the benefit of the homeless in Israel by 100 American Jews. This colony will be founded by the Achaiah Nachia Association, which has recently been organized in New York for that purpose. The plan is to purchase about 1,000 acres of land in Palestine, and of developing this tract as an orange-growing colony along the lines of many of the other Jewish settlements in Palestine.

A further announcement of great interest to Zionists is made in connection with the approaching visit to New York of one of the foremost leaders of the movement in Europe—Prof. Alexander Marmorek, the noted bacteriologist of the Pasteur Institute of Paris, a great Zionist, as well as an eminent leader of his people. Professor Marmorek will come to this country to attend the International Congress of Tuberculosis, which will take place in the fall at Washington.

### CATHOLIC EDUCATIONAL ASSOCIATION.

A brief cablegram from Pope Pius X., which bestowed on the Catholic Educational Association, in annual convention in Cincinnati, the "most affectionate blessing of the pope," was read in the convention at their closing business session yesterday.

In closing the association passed a resolution, saying that they "deplored the decay of home life in many parts of this country," and resolved to "make an earnest effort to bring home to the parents emphatically the true idea of parental duty and sacred nature of parental responsibility."

The college department passed a resolution in favor of a uniform system of Latin pronunciation in the Catholic colleges of America and also resolved unanimously to "keep an eye on legislation that might be detrimental to the interests of a Catholic education."

The college department also passed a resolution warning Catholic colleges against the acceptance of such money gifts from wealthy men as carried with their acceptance any obligations to change or disregard the Catholic faith in any way.

### WILL BE LURED TO DEATH.

Condemned to death, a score of Mexican revolutionists who have been tried at Casas Grandes, Mexico, will be lured to death by the false hope that they will be permitted to escape and will be shot down by federal troops, in the report which has been received at El Paso, Texas. The time for execution is early tomorrow morning, when, it is said, the alleged revolutionists will be taken from the four prisons and marched toward the train which, it is said they will never reach. This plan of execution has been practiced before in Mexico, it is declared, when there has been little chance of a legal execution.

The Sierra Madre and Pacific line is guarded, as is the road from the prisons to the station, and another company of soldiers, which has arrived in Juarez, will be sent to Casas Grandes in the morning. It is to reinforce the companies now stationed there and prevent friends of the revolutionists, among whom is Silvestre Quebedo, a graduate from a St. Louis college, from effecting their rescue along the line of march.

Kodol will without doubt help anyone who has stomach disorders or stomach troubles. Take Kodol today and continue it for the short time that is necessary to give you complete relief. Kodol is sold by W. F. Craighead & Co.

Effort has been made to keep the time of transportation and execution on a secret, but it has leaked out, and there is much agitation along the border.
